Application Writing Supplement

Please submit your responses to the following questions with the rest of your application materials. Answer each question in 200 words or less.

1. How do you think that community engagement initiatives impact the experience of students within the Syracuse University community?
2. Describe your experience with community engagement. How has this been meaningful to you?
3. From now until you graduate, how do you want to see yourself grow?
4. Identify a movie or novel where the protagonist makes a difficult choice. If you were presented the same challenge, what processes or tools would you employ when making your decision? Would you come to the same conclusion as the protagonist in the story and why or why not?
