

Teacher’s Tutor and Program Evaluation

Tutor’s Name: _____ Site Name: _____

Teacher’s Name: _____ Semester: Fall 2022

How many years have you worked with the SU Literacy Corps program? _____

Part 1: Please provide the following information about the students the tutor interacted with this semester. Please answer with a numeric value.

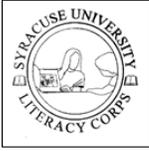

- 1. How many students are in your classroom or program? _____
2. From the number stated in #1, how many does the SULC tutor work with directly on a consistent basis? _____
3. From the number stated in #2, how many students have improved with academic skills & abilities, social attitudes, self-esteem, or involvement/investment in the classroom environment? _____

Part 2: Using the criteria that follows, circle the number that best reflects your judgment about the tutor’s performance relative to the statement provided:

1 -Unacceptable; 2 -Below Average; 3 -Average
4 -Above Average; 5 -Exceptional; 0 – Not Applicable

Table with 7 rows of statements and 7 columns of rating options (1-5, 0). Statements include: Tutor is well prepared for position, Tutor works appropriately with students from a wide variety of backgrounds & with individual needs, Tutor is effectively improving the level of literacy of the students tutored, Tutor is engaged and takes initiative in the classroom, Tutor is consistent and reliable in their commitments, Tutor is open to suggestions for improvement, Tutor communicates and interacts appropriately with staff at the site.

(over)

Part 3: Please provide written responses, including actual examples, to the open-ended questions that follow.

Explain the tutor's role in your classroom. What contributions or supports did the tutor provide for your site or classroom?

Share any anecdotes or specific examples that demonstrate the tutor's interaction, influence, and contributions in your classroom.

Comment on communication with the SU Literacy Corps program including usefulness of written materials.

Share any suggestions or recommendations to improve the SU Literacy Corps program to better support the students.

Thank you for your time and support!
